

# Testimonials

Tecan has worked with Biocompare for many years, because they deliver high quality sales leads. We find the detailed monthly reports and the staff extremely helpful. We look forward to another successful year with Biocompare.

Aline Weiss  
Marketing & Communications  
Tecan Trading AG

Biocompare has consistently provided us with high quality leads from a myriad of product categories. As a result, our direct sales reps are constantly in motion. Additionally, they have provided excellent support as we build our brand.

Tara Vanderploeg  
Marketing Specialist  
BioTek Instruments

Biocompare is part of our marketing plan each year because it delivers results, as seen in our weekly sales lead reports and monthly performance reports. Biocompare offers an assortment of options to choose from, including targeted e-newsletters and tech spotlight articles.

Sean P. McCall  
Advertising Coordinator  
Integrated DNA Technologies

We find that over 20% of our quotes generated from leads at Biocompare.com are converted to orders.

Richard H. Mills, PhD  
Product Manager  
Neuroscience/Physiology Division  
Stoelting Co.

We've experienced an increase in new clients and sales volume. I am impressed with the service and would definitely recommend Biocompare to any company who wishes to target the scientific community.

Dr. Brian Carpenter, MBA  
Sales & Marketing Manager  
Innova Biosciences

I wouldn't have thought that listing MrGene.com's gene synthesis service on Biocompare.com would push our Google ranking that much.
