

Biocompare 2019 Antibody Market Report Award

Purchasing Preference by Antibody Type

Biocompare's 2019 Antibody Market Report reflects the experiences and expertise of close to 700 scientist stakeholders who were surveyed to shed light on antibody usage, applications, and preferences, as well as the drivers that influence how researchers select antibodies. Survey respondents were also asked to weigh in on which suppliers they deemed to be the best in a number of categories. See the tables below for the winners.

Antibody Type	GOLD 	SILVER 	BRONZE 
Adhesion Molecules	BD Biosciences	Abcam	Cell Signaling Technology
Angiogenesis	Abcam	R&D Systems	BD Biosciences
Apoptosis/Tumor Suppressor	Cell Signaling Technology	Abcam	BD Biosciences
CD and Cell Surface Marker	BD Biosciences	BioLegend	R&D Systems
Cell Cycle	Cell Signaling Technology	Abcam	Santa Cruz Biotechnology
Cell Signaling/Signal Transduction	Cell Signaling Technology	Abcam	Santa Cruz Biotechnology
Conjugated	Thermo Invitrogen Antibodies	BD Biosciences	BioLegend
Cytokines/Chemokines/Growth Factors	R&D Systems	BD Biosciences	BioLegend
Cytoskeleton	Abcam	Cell Signaling Technology	Thermo Invitrogen Antibodies
DNA Damage and Repair	Cell Signaling Technology	Abcam	Thermo Invitrogen Antibodies
Epitope-Tagged	Thermo Invitrogen Antibodies	Abcam	Cell Signaling Technology
Extracellular Matrix and Cell Adhesion	Abcam	Cell Signaling Technology	BD Biosciences
Hormone	Abcam	Invitrogen Antibodies	BD Biosciences
Immuno-Oncology	BD Biosciences	Abcam	BioLegend
Infectious Disease/Microbial Antigens	Abcam	BD Biosciences	Thermo Invitrogen Antibodies
Inflammation Research	Abcam	BD Biosciences	Cell Signaling Technology
Intracellular Signaling	Cell Signaling Technology	Abcam	BD Biosciences
Membrane Transporter/Protein	Abcam	Cell Signaling Technology	Santa Cruz Biotechnology
Metabolic Pathways	Abcam	Cell Signaling Technology	MilliporeSigma
Modification State Specific	Cell Signaling Technology	Abcam	MilliporeSigma
Neurobiology	Abcam	MilliporeSigma	Cell Signaling Technology
Receptors	BD Biosciences	Abcam	Cell Signaling Technology
Secondary/Immunoglobulin Specific	Jackson Immunoresearch	Thermo Invitrogen Antibodies	MilliporeSigma
Stem Cell	Abcam	BD Biosciences	R&D Systems
Transcription Factor	Cell Signaling Technology	Abcam	BD Biosciences

Biocompare 2019 Antibody Market Report Award

Overall Preference

CATEGORY	GOLD 	SILVER 	BRONZE 
Best Antibody Reproducibility	Cell Signaling Technology	Abcam	BD Biosciences
Best Antibody Specificity	Abcam	Cell Signaling Technology	BioLegend
Best Customer Service	Abcam	Cell Signaling Technology	Invitrogen Antibodies
Best Overall Website Experience	Abcam	Cell Signaling Technology	BioLegend
Best Packaging	Abcam	Cell Signaling Technology	BioLegend
Best Quality of Technical Data Presented on Website	Abcam	Cell Signaling Technology	Thermo Invitrogen Antibodies
Best Target Selection	Abcam	Cell Signaling Technology	BD Biosciences
Best Technical Support	Abcam	Cell Signaling Technology	BD Biosciences
Most Familiar With	Abcam	BD Biosciences	Thermo Invitrogen Antibodies
Overall Most Preferred Antibody Supplier	Abcam	Cell Signaling Technology	BioLegend
Used or Purchased from in Past 12 Months	Abcam	Cell Signaling Technology	BD Biosciences
